From the day that we're born  
We're force-fed glorious lies  
Brainwashed, innocent children  
Shipped to foreign lands to die  
Next you're killed and honored for your service  
"He aborted the enemy with no remorse"  
But now all you really are  
Is a mangled useless corpse

SIGN ME UP TO DIE!  
IT SOUNDS LIKE ONE  
HELL OF A TIME!

WHEN YOU CHOOSE TO FIGHT  
YOU CHOOSE TO DIE

Politicians hide themselves away  
They only started the war  
Why should they go out to fight  
They leave that up to the poor  
Led to believe you'll have  
An education and career  
But all that is useless when you're  
Dead and drowned in loved ones tears
