The Era of Tiamat
A new Age has come
My Goddess, my Spirit
Tiamat!

I am the daylight
I am the Light
I am the Earth and Sea
I am the Winds and Storms
I am the Cosmos
I am the Fear, the Fear of Mortals

The Era of Tiamat
A new Age has come
My Goddess, my Spirit
Tiamat!

I am the Source of Life
I am the Dreamer's eyes
A Soul that never dies
A Truth between the Lies
I am the Cosmos
I am the Chaos, The Ear of all Mortals

The Era of Tiamat
A new Age has come
My Goddess, my Spirit
Tiamat!
