Somehow I know that somehow you can hear me  
Already I can feel your little heartbeat  
Wherever you may be tonight IÃfÃçâ, -Ã™ m sending  
you this lullaby

Angel  
Impatiently IÃfÃçâ, -Ã™ ve waited for the longest time  
To feel your hand in mine  
Angel  
May the heavens hold you close in perfect peace  
Until you find me  
My angel  
So many nights IÃfÃçâ, -Ã™ ve cried myself to sleep  
dear  
And wondered why youÃfÃçâ, -Ã™ re not already right  
here  
I feel my heart might break in two  
IÃfÃçâ, -Ã™ ve so much love to give to you

I know that youÃfÃçâ, -Ã™ ll be sent here from up  
above  
And youÃfÃçâ, -Ã™ ll be the perfect combination of  
GodÃfÃçâ, -Ã™ s grace and love
