I got up
I got dressed
Said IÃfÃçâ, -Ã™ ll do
My best
Said IÃfÃçâ, -Ã™ m up
To the task
Guess thatÃfÃçâ, -Ã™ s all
You can ask

But the question in my mind
Am I living my life right

I do what I can do what I can
Not everything in life
Goes according to my plan
But you can look me in the eye
And know that I will try
I tell you that itÃfÃçâ, -Ã™ s true
I do what I can do

Well I thought
That by now
IÃfÃçâ, -Ã™ d have it all
Figured out
But thatÃfÃçâ, -Ã™ s love
And thatÃfÃçâ, -Ã™ s life
Every dayÃfÃçâ, -Ã™ s
A surprise

IÃfÃçâ, -Ã™ m not perfect by all means
IÃfÃçâ, -Ã™ m just searching for that dream
