Can music change the world?  
Yeah, I think it can  
Can love conquer all?  
Well, I know it can

Can we tear down this wall  
Between you and me?  
Not without forgiveness  
Forgiveness is hard, it's unnatural

Doesn't come from the heart  
It's a choice you know  
There's nothing more beautiful  
Than the power of forgiveness

Forgiveness, it's the hardest thing to do  
But it all comes down to forgiveness  
Look inside your heart and I'll look in mine

Are we so far apart  
That we can't cross that line  
Where but for the grace of God  
Would we be without forgiveness?

Forgiveness, it's the hardest thing to do  
But it all comes down to forgiveness  
Somewhere in the dark there's a distant light

A place where we can start  
To bring love back to life  
Travel down that road with me I know that  
We can find forgiveness

Forgiveness, it's the hardest thing to do  
But it all comes down to forgiveness  
Yeah, I still believe  
That sometimes we all need forgiveness
