Leading with my heart again
I?m leading with my heart again
I don?t know if I?ll lose or win
But I?m leading with my heart again

Putting my mind on hold
Yeah, I?m putting my mind on hold
I could be risking my very soul
But I?m putting my mind on hold

I must admit
There?s just something about your kiss
And I can?t explain
Wouldn?t want to if I could anyway

I?m leaping before I look
Yeah, I?m leaping before I look
It may not be the same chance you took
But I?m leaping before I look

Walking before I crawl
I?m walking before I crawl
I might tumble, I might fall
But I?m walking before I crawl

I know it?s dangerous
I know it?s foolish
But thinking it over
You can?t make me do it

I must admit
There?s just something about your kiss
And I can?t explain
Wouldn?t want to if I could anyway

I?m leading with my heart again
Yeah, I?m leading with my heart again
I don?t know if I?ll lose or win
But I?m leading with my heart, I?m leading with my
heart again

Oh yeah, I?m leading with my heart again

I might tumble, I might fall, yeah
It doesn't really matter at all
