I've walked holes in both my shoes
I've got the going nowhere blues
And I'm right where I belong
Ain't no engine in my car
Just this dead end in my heart
And I'm right where I belong

I've been broken down by lies
Well you see my baby's gone
Gonna' sit here and cry
My soul is busted flat
And I got no spare, no jack

No truck stops, just blacktop
Heartaches up on old wood blocks
No road signs, just hard times
I sure could use a little sunshine
And lose these lovesick blues
