Sometimes I feel that I was born at the wrong time
Yeah I been told that I got an old soul
I f---ed, -- Cuz everything seemed so much better
back then
From T.V. shows to good old rock I f---ed, -- n roll
But I believe that there I f---ed, -- s a bigger picture
And things happen the way they I f---ed, -- re
supposed to
And if I I f---ed, -- d come around at the wrong time
Oh Baby, I wouldn't I f---ed, -- t have met you

People seemed more civil in the old days
And we learned what was wrong and what was right
And we knew how to make a little go a long ways
And we sang with our families at night
Every generation thinks the one before
Had it a little better than they do
But if I I f---ed, -- ve been born at the wrong time
Oh Baby I wouldn't I f---ed, -- t have met you

I I f---ed, -- d have gone to Woodstock in the sixties
Or fronted a big band in I f---ed, -- 42
But if I I f---ed, -- d been around at the wrong time
Oh Baby, I wouldn't I f---ed, -- t have met you
Oh no Baby, I wouldn't I f---ed, -- t have met you
