Can you hear me, As I'm screaming  
Do you understand, What I'm saying  
Can you feel me, As I'm touching  
Do you suffer the pain, I endure

Can you see me, As I'm reaching  
Do you see what I'm reaching for  
Can you feel me, As I'm lying  
Here touching you, touching  
Touching you, touching  
I am your...

Can you feel me, (Can you feel me) As I'm breathing  
(As I'm Breathing)  
One last breath  
Yearning for yours  
Can you hear me, (Can you hear me) As I'm screaming  
(As I'm Screaming)  
Do you understand, What I'm fighting for

Can you see me, As I'm reaching  
Do you see what I'm reaching for  
Can you feel me, As I'm lying  
Here touching you, touching you,  
Touching you, touching  
I am your burden

Cause I'm reaching out to, And I need you  
I'm reaching out to, You to carry me, Carry me

Can you see me, As I'm reaching  
Do you see what I'm reaching for  
Can you feel me, As I'm lying  
Here touching you, touching you,  
Touching you, touching  
I am your burden  
I am your burden
