Listen to my whisper, You hear me cry
You see my temper, As it burns inside
Can someone take this, Take it from me
I'm tired of feeling, feeling guilty, from what I'm faking

Won't you take this from me, Cause I'm tired of feeling
You know that I try and do the best that I can
But lately it feels I've been wronged again
You know I keep stepping over the line
It feels like I crossed it for the last
Time! Time!

She walks up to me reaching for my hand
Every time I breathe, I breathe in sin
How can she take this, Take it from me
I'm tired of feeling, feeling guilty, from what I'm faking

Won't you take this from me, Cause I'm tired of feeling
You know that I try and do the best that I can
But lately it feels I've been wronged again
You know I keep stepping over the line
It feels like I crossed it for the last
Time! Time! Time!

You know that I try and do the best that I can
But lately it feels I've been wronged again
You know I keep stepping over the line
It feels like I crossed it for the last
Time! Time!
