

Ages Apart **"Letting Go"**

Visit "[Letting Go](#)" on MotoLyrics.com

Take a look at what I've done
Reach inside, Feel the pain overcome
It's not what you think, We're only sinners in this life
It's not what you see, It's only what you believe

I'm letting go all these I've held onto too tight
I'm letting go of the way I feel about this, this life

Holding on to my past, Never gets me anywhere
And this reverie keeps haunting me, Haunting
Never letting go, Never letting me see
Never letting go, Come on free me, Free me

Take my anger, Take me hate
And Take my problems and my pain
