Shall my soul rest,
For first time in years,
Drowning in my tears,
And in the depths of sorrow,
My shattered heart so hollow,
I'm cursed to the sorrow,
I'm feel so hollow...

"A hear a silent voice from the dark,
And falls down on the earth,
In the wind I hear your cry,
Flowing through the leaves,
Under a dark sky"

Shall my soul rest,
For first time in years,
Drowning in my tears,
And in the depths of sorrow,
My shattered heart so hollow,
I'm cursed to the sorrow,
My bleeding soul is crying,
Without her I'm dying.

"A hear a silent voice from the dark,
And falls down on the earth,
In the wind I hear your cry,
Flowing through the leaves,
Under a dark sky"

Shall my soul rest,
For first time in years,
Oohh!, Drowning in my tears,
And in the depths of sorrow,
My shattered heart so hollow,
I'm cursed to the sorrow...

My bleeding soul is crying,
Without her I'm dying...
