With the arrival of a freak show messiah,  
Tumbling into chaos of damnation,  
Bringing the slaves liberation  
And ruling over his creations.

Twisting the faith of mankind,  
I will make their false idols fall  
From the altars of hate in they are,  
When my legions march to de heaven gates.

I am the Lamb of God,  
I take away the sins of the world;  
I'll come along at the end of time  
With a celebration of doom.

Ripping the flesh of the heavenly prophets,  
Walking among the awaking corpses,  
Crowning the beast after ten centuries  
In the throne of tyranny where angels bleed.
