"A Little Bit"

Don't ever give it up
I guess you learn
From the experience you earn
Sometimes you win
Sometimes you loose, oh
Life can be tough
There's always someone
Playin' rough
But take it slow
And you will know, oh
Sometimes it all falls into pieces
Some other day life is so beautiful

CHORUS:

It's a little bit of this
And a little bit of that
Remember the good
But don't forget the bad
It's a little bit of this
And a little bit of that
Remember the good
And learn from the bad times
It might be rain
But soon the sun will shine again
Just wait and see
Have faith in me, oh
It's just begun
'cause there's fortune to be won
Then you will see
Life's for real, oh
Sometimes it all falls into pieces
Some other day life is so beautiful

CHORUS

You do mistakes but for a reason
You learn from everything that
Comes your way

CHORUS
