Say hello to the world cause you're just 'bout to see it Say goodbye to the past cause you're just 'bout to leave it

Oh, now you're gonna feel better than ever before, yeah

What a day this is, gonna find your faith in a kiss Chorus

For a love like this, were to come to you
And it can't be found matter what you do
Cause a love like this, is a dream come true
I know how it feels you can do what you want to
You can do what you wanna do
May your heart be your guide, may your soul be your

May your heart be your guide, may your soul be your mother

Open up gonna come to a world like no other Mm, deep inside there's an answer you know what to do

What a day this is , you can change your life with a kiss Chorus

Stick

Mm, now you're gonna feel better than ever before, yeah

What a day this is, gonna find your faith in a kiss Chorus
