If we can't be lovers
I don't think we can be friends
You say you need a strong relation
But I say it all depends
You gotta know me
Have a feeling for my needs
But were two of a kind
And with different beliefs
So you're stressin, pressin,
I need your blessin
There's no way that
Im excessin
Givin me a vision that I only fear
Yes, I gotta be out of here
Don't you know
Don't you know
Everytime you go
That your one-man-show
Leaves me alone
Don't you care
Don't you care
I don't think it's fair
Cause we still got things to share
Everytime you're goin
Gotta get away baby
Gotta get away
Gotta get away baby
Gotta get away yeah
Its about time
To leave, Ive had enough
Lovin like this
Aint easy but tough
It makes me wonder
What's the meaning of our lives
When feelings like this
Cannot be given a try
But your dream of illusion,
Just delusion
Now Ive come to
The conclusion
The only way for me

To keep goin on strong
Is goin all alone
Chorus
