I wanna be where I feel free
And I forget myself
No second thoughts I'm movin'on
Don't need nobody else
Made up my mind and now's the time
I know I'm on my way
I gotta go to where the music takes me
Everybody's living it up
Got that feeling together
Everybody's living it up(oh yeah)
All around the world
Everybody say let the music take you
Everybody say yeah yeah yeah
Everybody say let the music take you
Let the music take you
Let the music take you
Come go with me and you will see
The life you're looking for
Don't waste your time or stand in line
You gotta be so sure
Open your mind and you will find
Beyond your wildest dreams
A celebration where the music takes you
Everybody's living it up
Got that feeling together
Everybody's living it up(oh yeah)
All around the world
Everybody say let the music take you
Everybody say yeah yeah yeah
Everybody say let the music take you
Let the music take you
Let the music take you
Everybody dance with me
Sing oh la
Sing oh la
Everybody can't you see
Sing oh la
Sing oh la
Everybody dance with me
Sing oh la
Sing oh la

Everybody can't you see
Sing oh la
Sing oh la
All around the world
Everybody's living it up
Got that feeling together
Everybody's living it up(oh yeah)
All around the world
Everybody say let the music take you
Everybody say yeah yeah yeah
Everybody say let the music take you
Let the music take you
Let the music take you
All around the world
All around the world
Sing oh la
Sing oh la
Sing oh la
Sing oh la
