They passed me by  
All of those great romances  
You were, I felt, robbing me  
Of my rightful chances  
My picture clear  
Everything seemed so easy,  
And so I dealt you the blow  
One of us had to go  
Now it's different  
I want you to know  
One of us is cryin  
One of us is lyin  
In her lonely bed  
Staring at the ceiling  
Wishing she was somewhere else instead  
One of us is lonely  
One of us is only  
Waiting for a call  
Sorry for herself  
Feeling stupid  
Feeling small  
Wishing she had never left at all  
I saw myself  
As a concealed attraction  
I felt you kept me away  
From the heat and the action  
Just like a child  
Stubborn and misconceiving  
That's how I started the show  
One of us had to go  
Now Ive changed  
And I want you to know  
One of us...
