(Mm, yeah)  
I've been down, I've been hurt  
I've been lost, I've been weak  
My emotions have been out of reach  
When I thought everything was okay  
I was wrong I have to runaway  
Bye bye baby, goodbye  
I'm gonna run run runaway  
Follow my heart  
I'm gonna run run runaway  
A brand new start  
I can feel for the first time  
I'm gonna run run runaway  
(Mm, hoo)  
I can love, I can feel  
I can breathe, I can see  
So alive I've never felt so free  
I am stronger than ever before  
Now I'm gone so you can close the door  
Bye bye baby, goodbye  
I'm gonna run run runaway  
Follow my heart  
I'm gonna run run runaway  
A brand new start  
I can feel for the first time  
I'm gonna run run runaway  
I'm gonna run run runaway  
Follow my heart  
I'm gonna run run runaway  
A brand new start  
I can feel for the first time  
I'm gonna run run runaway  
It doesn't matter where life will take me  
I'm going with the flow higher than higher  
It doesn't matter if luck will forsake me  
I'm gonna runaway  
I'm gonna runaway  
Run run runaway  
Follow my heart  
I'm gonna run run runaway  
A brand new start

I can feel for the first time  
Im gonna run run runaway  
Im gonna run run runaway  
Follow my heart  
Im gonna run run runaway  
A brand new start  
I can feel for the first time  
Im gonna run run runaway  
I can feel for the first time  
Im gonna run run runaway
