Love of my life, Love of my life  
I wanna know how  
Far I've gotta go  
'till you forgive me  
I know you miss me  
We had a scene,  
Said some crazy things  
Don't hold it against me baby  
We're two of a kind so  
Let's stop wasting time  
Come to me (come to me)  
Ain't no mystery,  
We were meant to be, can't you see  
You'll always be the  
Love of my life (Love of my life)  
You'll always be the one that I want  
And I'm missing you baby  
(and I'm missing you baby)  
Love of my life, Love of my life  
I wanna fly, to be with  
You tonight and have you near me.  
Won't you believe me.  
You're the one, the only one I want,  
Can't you hear me baby  
We're two of a kind  
Let's stop wasting time  
Come to me (Come to me)  
For all your foolish pride  
Love won't be denied, can't you see  
You'll always be the love of my life  
(The love of my life)  
You'll always be the one that I want  
And I'm missing you baby  
You'll always be the love of my life  
(The love of my life)  
You'll always be the one that I want  
And it's driving me crazy  
Crazy baby, crazy baby  
Crazy baby, crazy baby  
Love of my life, love of my life  
Love of my life, love of my life

You'll always be the love of my life...  
The love of my life.
