I can't deny all the hatred that I feel  
When I look in your eyes  
I cannot lie  
Because some wounds will never heal  
The hate is now my praise  
That I got from you  
But it will never tear me apart  
This hate is now my guide  
Throughout this hollow times  
It is now my path  
My precious wrath  
You give me fear  
And you tried to break my mind  
You devastated truth  
You give me tears  
So I could cry out my eyes  
You bastards are made out of lies  
You'll never tear me apart
