Is there a law for obedience to your god?  
Spawned from a book yet infecting our own thoughts  
Creator of sin, sacrifice of all ration  
Propagation of gospel of fear for salvation

Since our birth we are told  
What is good and what is not  
By your prophets of fear of lust and temperance

I, in search for the flesh, knowledge, perfection  
Individual strength my sole satisfaction

Values superior to your dogmas  
Reasoning void of fear of sins  
Our final goal the satisfaction  
To be seen as your perfection

"I am the truth" - bow down for me  
Undying life - hypochrisy

Our final goal the satisfaction  
To be admired as your reflection
