Oh

Yeah

Tick tock

I'm running out of time

Thought I was in love but never mind

Tick tock

The hell was that?

Nigga in my crib

Baby girl, fall back

Tick tock

You wasting my time

People giving in, musta lost your mind

Oh hell, so you need a ride

Baby girl, get your ass outside

No car, no cab

Get the hell out, girl

I live right on the bus line

The bus line

So we say tick tock, oh, oh oh oh

Tick tock, oh, oh oh oh

Tick tock, oh, oh oh oh

Tick tock

And no, you can't use my phone

I called T-Mobile

I turned that off

Tick tock

It's your country ass

Lying to me, girl that ass is fast

Tick tock

Baby, God bless you

I wish you luck in everything you do

Tick tock

Baby, wipe your tears

Matter fact, why are you still here?

No car, no cab

Get the hell out, girl

I live right on the bus line
The bus line

So we say tick tock, oh, oh oh oh
Tick tock, oh, oh oh oh
Tick tock, oh, oh oh oh
Tick tock
