They call me AB, these motherfuckers ain't ,
About to jump in the , with Jady
They wanna ,pearls on,
I'm killing it, look at my shoes, they wanna flip
, hard top, you know what it is
I'm the new , I'ma flip the script
Cause I got Nicki in saloon, walking the garage
Show me just the spot, in the parking lot
Always getting love, cause when I'm in the club
They drop it like it's hot, drop, drop it like it's hot
Fresh to the , niggers ain't feeling me some
When the dj , I'ma do my , like it's in the end

,
Get with the movement,
They call me AB, these motherfuckers ain't ,
About to jump in the , with Jady
They wanna ,pearls on,
I'm killing it, look at my shoes, they wanna flip
, hard top, you know what it is
I'm the new , I'ma flip the script
Cause I got Nicki in saloon, walking the garage
Show me just the spot, in the parking lot
Always getting love, cause when I'm in the club
They drop it like it's hot, drop, drop it like it's hot
Fresh to the , niggers ain't feeling me some
When the dj , I'ma do my , like it's in the end
Get with the movement, get with the movement.
