It's the nightlife that we crave  
It's the dreams at the end of the day  
It's the perfect place to play  
It's the beauty you can't turn away  
It's the bright lights, it's the, light  
It's the kiss that she goes when the time's right  
It's the music when it fades  
To the song that makes the chicks go crazy

Cause we work all day so we play all night  
Till the cops arrive they turn up the lights  
Nightlife, nightlife, nightlife  
We don't care what you say  
About how we behave  
Let your hair down, like you just got,  
Nightlife, nightlife, nightlife

It's the entry, on the floor  
It's the rush when you walk through the door  
It's the, chicks, hardcore  
, your lips,  
It's the bar fights, got the model types  
It's the place where I pick up the ones I like  
It's a face lift, for the torn  
It's the waitress that she bringing you more

Cause we work all day so we play all night  
Till the cops arrive they turn up the lights  
Nightlife, nightlife, nightlife  
We don't care what you say  
About how we behave  
Let your hair down, like you just got,  
Nightlife, nightlife, nightlife

And I watch, in slow motion  
And I feel like I'm,  
She takes me, higher, higher, higher  
And she takes me, higher, higher, higher  
And I feel like I deserve it

Cause we work all day so we play all night  
Till the cops arrive they turn up the lights

Nightlife, nightlife, nightlife  
We don't care what you say  
About how we behave  
Let your hair down, like you just got,  
Nightlife, nightlife, nightlife.
