No laugh out laughs
This doesn't happen to me

You're gonna told me you're living
But you're gone you're gone you're gone
'cause all i heard was your engine to your car
Now i'm waiting by the bed
looking out my window ..doing the ..
and it hit me hours later
girl you're gone you're gone you're gone

Chorus:

Damn that shit hurt and you left me gone
got me feelin feelin all alone
Damn that shit hurt in the back of my brain
..was it all a game
damn that shit hurt and i ain't say a word
even ..so absurd
damn that shit, i keep on thinking bout it,
i keep on thinking bout you
over and over again, over and over again
yeah yeah yeah yeah
over and over again, over and over again
yeah yeah yeah yeah
i need a doctor i need some help
'cause i'm gone, i'm gone i'm gone
Without a warning and left in the morning
Girl you're wrong you're wrong you're wrong
Such a bad day, always hated Mondays
Baby Sunday you .. me
Such a long road gotta try for
'cause you're gone, you're gone, you're gone

[Chorus:]

'Cause i'm cryin now loud again
Last sound loud girl i'm crying now loud
...

[Chorus:]
