I'm breathing fast, waiting to say
Holding my chest cause you ain't...
I got to choose a ...
..cause I'm feeling ill
My body, oh!
My body, oh!
My body, oh!
I'm feeling you!
My body, oh!
Listen to my body
What it means
Baby I need you to heal me,
So just stay here!

Chorus:
That's how I live, how I breathe, how I live
And every minute that I live I need to give her ...
And my heart is running low!
Love ... survive
There's no way that I will survive!
It's what it is, it's what it is,
Is how I live, I'll never let her go!
Is how I live!

You're in my heart, ...
You got me weak, what did you expect?
You ain't here, I can't feel what I'm going through
Cause I'm giving you
My body, oh!
My body, oh!
My body, oh!
I'm feeling you!
My body, oh!
Listen to my body
What it means
Baby I need you to heal me,
So just stay here!

Chorus: (x2)
That's how I live, how I breathe, how I live
And every minute that I live I need to give her ...
And my heart is running low!

I'm running so low!
My love don't survive
There's no way that I will survive!
It's what it is, it's what it is,
Is how I live, I'll never let her go!
Is how I live!
