Ham chod chalay lo shar tumhara chor chalay
Ham chod chalay lo shar tumhara chor chalay

Jab tum ko hamari yaad aay aur dil bi tumhara
ghabraay
Senay say laga kar yaad meri tasveer say bateen kar
lena

Thay saath kabi, thay saath kabi kabi jin rahoon par,
Un rahoon say moun rord chalay

Ham chod chalay lo shar tumhara chor chalay
Ham chod chalay lo shar tumhara chor chalay

Pa kar bi tumhain ham pa na sakay, apnay thay magar
apna na akay
Ya kheel ha sara qismat ka tum dil ko tasali day layna
Tum jin ko kabi, tum jin ko kabi,
Boolo gay naheen, ham, asay nagaan chod chalay

Ham chod chalay lo shar tumhara chor chalay
Ham chod chalay lo shar tumhara chor chalay
