If we can't be lovers  
I don't think we can be friends  
You say you need a strong relation  
But I say it all depends  
You gotta know me  
Have a feeling for my needs  
But were two of a kind  
And with different beliefs  
So you're stressin, pressin,  
I need your blessin  
There's no way that  
Im excessin  
Givin me a vision that I only fear  
Yes, I gotta be out of here  
Don't you know  
Don't you know  
Everytime you go  
That your one-man-show  
Leaves me alone  
Don't you care  
Don't you care  
I don't think it's fair  
Cause we still got things to share  
Everytime you're goin  
Gotta get away baby  
Gotta get away  
Gotta get away baby  
Gotta get away yeah  
Its about time  
To leave, Ive had enough  
Lovin like this  
Aint easy but tough  
It makes me wonder  
What's the meaning of our lives  
When feelings like this  
Cannot be given a try  
But your dream of illusion,  
Just delusion  
Now Ive come to  
The conclusion  
The only way for me  
To keep goin on strong

Is goin all alone  
Chorus
