People love you for who you are.  
Not for who you wish you were.  
You are beautiful as you. Don't change for someone  
else.  
If they really love you they'll, love you for who you are.  
If they don't then they aren't worth your time, so you  
just have to move on.  
Remember You are 100% B-E-A-Utiful as You!  
Don't let anyone try, or even come close to changing  
you.  
You are gorgeous. You are strong. You are 100%  
Beautiful as you.  
Be 100% in everything and anything you do.  
So don't change.  
Because you are,! 00% B-E-A-Utiful. Beautiful, as, you!
