A break in the fighting  
Under desert stars  
"I'll wait for you"  
She said  
But she couldn't know  
What could come home

I stay awake and  
Make no mistake I  
I fight this war for you  
Hey  
Was it worth all this?  
Was it worth all this?  
Was it worth all this?  
Oh

All my problems  
They're camouflaged  
In these fatigues  
I've begun  
To doubt our breed  
Of violent peace

Yeah

I stay awake and  
Make no mistake I  
I fight this war for you  
Hey  
Was it worth all this?  
Was it worth all this?  
Was it worth all this?  
Oh no

Hey  
I stay awake and  
I make no mistake I  
I'll write your wrong for you  
Hey  
Was it worth all this?  
Was it worth all this?  
Was it worth all this?

All this?  
Oh no
