Feeling Like She Could Be The One Baby Would You  
Mind If We Chilled Tonight Cus The Way You Lookin  
Baby, I Just Wonna Vibe With You, With You, Tonight It's  
Been A Long Week & I Really Wouldn't Mind

Chorus: I'm Ready For That Late Love Let My Lovin Put  
You Mind At Ease Tonight, Oh Baby Are You Ready For  
That Late Love? That Thing That Wakes Us Up In The  
Mornin Holdin Each Other Baby When We Get To  
Making That Late Love You Got Me Feeling Like It's The  
Only Way To End My Night, Girl With That Late Love.  
She Needs That Love (Late Love) She Needs That Love

So Baby Tell Me Where You Wonna Go From Here Cus  
Wakin Up With You Got Me Thinking Clear Baby, It Feels  
So Right Playin Thoughts In My Mind of What We Did  
Last Night Baby, It's That Late Lovee

So What You Need From Ya Man? Call Me, You Know I'm
