The white walkers
Is it true he saw the white walkers?

I saw what I saw
I saw the White Walkers

White walkers [2x]
Is it true-
White walkers

This is the way the world ends
Your world anyway

I am a father
A son
A serial killer
Light cannot exist without darkness

A serial killer

This is the way the world ends

A serial killer

I saw the white walkers
Is the way the world ends

Light cannot exist without darkness
