Make the bass go boom, make the bass go...  
Step in the club all the heads start turning  
We popping bottles till our vision start blurring  
You so excited that your speech starts slurring  
We make the bass go oh!  
We make the bass go boom!

So get up and start learning  
How Akanishi keep them records turning  
We never play fair so you better be concerned when  
We make the bass go oh!  
We make the bass go boom!

I wanna see your body moving  
I wanna make your legs keep grooving  
I already know what you gotta do when  
We make the bass go oh!  
We make the bass go boom!

I wanna see your body moving  
I wanna make your legs keep grooving  
I already know what you gotta do when  
We make the bass go oh!  
We make the bass go boom!

It's the bar's last call but you know we keep drinking  
We're taking shots till our brain stops thinking  
We're so Titanic but we'll never be sinking  
We make the bass go oh!  
We make the bass go boom!

That chick is giving us a eye  
Her stock's so big that you know we're supplying

I think you're in for a surprise when  
We make the bass go oh!  
We make the bass go boom!

I wanna see your body moving  
I wanna make your legs keep grooving  
I already know what you gotta do when  
We make the bass go oh!  
We make the bass go boom!

I wanna see your body moving  
I wanna make your legs keep grooving  
I already know what you gotta do when  
We make the bass go oh!  
We make the bass go boom!

Feel the bass go! Feel the beat go!  
Da da da da da da da da~  
Da da da da da da da da~  
Eh-oh! Eh-oh!

So if you think you -ah! - came here to party  
I'ma show you how the big boys do it  
Feel the bass moving through your body  
Eh-oh! Eh-oh!
