Hey girl wanna dance  
It's not you  
Excuse me I'm not talking to you  
Hey girl that was you  
It's you girl you girl you girl  
You you you you

Whoever said you were a ten  
Must have been counting out of a hundred then

Every time you leave turn around baby come back to  
me  
Before you break my heart so ugly  
But we drunk so I guess It's cool with me  
And I never joke but I love JK  
Not the funny girls but ones that say Uchyo  
And what I'm saying is so super  
So I guess that makes me super saying  
Super star, hide the lids so you don't know who we are  
So show me how we sipping parties tripping when we  
kicking it  
So hey girl your sisters looking dope  
So excuse me Miss let me through cuz I got something  
to say I'm not talking to you!

Hey girl wanna dance  
It's not you  
Excuse me I'm not talking to you  
Hey girl that was you  
It's you girl you girl you girl  
You you you you

Whoever said you were a ten  
Must have been counting out of a hundred then

I'm so fxxked up turn the party up  
Till we all puke up we change that up  
Every time I'm here I'm staring at her  
She looks really hot from far away  
But when you get close she is far away from hot (shit! )  
Her name is XXXX she is a bartender on the 2nd floor  
So that's why I don't wanna go up there

Excuse me girl you wanna dance with me  
You wanna drink with me as usually I'm trying to get a  
check with those typical lines  
OMG here comes gold digger digger  
Hold champagne and drinking jaguar jaguar  
I hate that thing I'm drunk I think  
Bounce out this spot I need ladies

Hey girl wanna dance  
It's not you  
Excuse me I'm not talking to you  
Hey girl that was you  
It's you girl you girl you girl

Oh snap I think I found the one  
Wish I could be that straw on your tongue  
Yo how ya doing girl my name is Jin  
Let me play in your game I swear I'll win  
That made her grin I think I'm in  
Let's have a drink and chill for a bit  
Tell me your name cuz I did the same show some love  
For we out this club  
Her friends are pissed my friends are mad  
We spending time gonna call a cab  
Till my homi tripped and spilled his glass  
She's soaked with beer an bouncing out a here  
It's aight ya see cuz I didn't really need  
Anything from her Know could a done better Letter go  
Get another few mins you already know  
I'll find a better hoe

Hey girl wanna dance  
It's not you  
Excuse me I'm not talking to you
