International party!

It's a party take a shot
It's a party clap your hands
It's a party spend them dollars
It's a party grab a girl

If you wanna party right gonna be a party night
Break it down and keep it tight with that body in my sight
I get money baby if you wanna come with me
You could see how we do it in the I.N.P
So we been rocking hard it's like
We know you want this life
The crystal clear is spilling here
So come and jock a slice
Swaggin off the scale haters can study here
But leave our differences behind we gonna party party party

It's a party take a shot
It's a party clap your hands
It's a party spend them dollars
It's a party grab a girl

I can tell you how you want it to be
3 peat we meet to keep the beat
You move your feet to feel this heat
It starts to creep all empty seats
Defeating beating in your chest
There's nothing left except the best
We move we rock the beat we drop
Until on top we never stop

I can tell you how you want it to be
3 peat we meet to keep the beat
You move your feet to feel this heat
It starts to creep all empty seats
Defeating beating in your chest
There's nothing left except the best
We move we rock the beat we drop
Until on top we never stop

Shorty what your name is?
Woooooo
I haven't seen you around before
Woooooo
I'll show you how to party
Woooooo
Then shut your mouth and bust it out
And show me how you move it baby

It's a party take a shot
It's a party clap your hands
It's a party spend them dollars
It's a party grab a girl

Girl:
Up in this bitch I'm taking that tone
Night of my life I'm feeling the zone
Swagger you need It you getting a loan
Life's calling you boy now answer the phone I'm hitting
it like
Uh uh
My drinking is heavy your drinking is light
I'm looking for somebody better than you
Checking the floor and I'm wondering who

Boy:
Up in this hoe I'm taking that tone
Night of my life and I'm feeling the zone
Swagger you need It you getting a loan
Life's calling you baby now answer the phone I'm
hitting it like
Uh uh
My drinking is heavy your drinking is light
I'm looking for somebody better than you
Checking the floor and I'm wondering who

It's a party take a shot
It's a party clap your hands
It's a party spend them dollars
It's a party grab a girl

Shorty what your name is?
Woooooo
I haven't seen you around before
Woooooo
I'll show you how to party
Woooooo
Then shut your mouth and bust it out
And show me how you move it baby

It's a party take a shot
It's a party clap your hands
It's a party spend them dollars
It's a party grab a girl
