Just go with the flow
How far u willing to go tonight?

I like it, we all faded
And the smiling till tomorrow morning
It's exciting, we goin'
But warning because we are dented in the world

Caution everywhere
Does anyone care
Cuz someone may be living in the bowels of the earth
yeah
We bout to hit the grand
The world won't be round
I'm playing this trendy beat and my people surround

Now u know

De De De Dented in the world
De Dented in the world
De Dented in the world
De Dented in the world
De Dented in the world
De Dented in the world
De Dented in the world
De De De Dented in the world

Just go with the flow
How far u willing to go tonight?

I like it, we all faded
And the smiling till tomorrow morning
It's exciting, we goin'
But warning because we are dented in the world
