Oowah

Wanted you to know that how she fly fly high
Yeah, like a love that you, you're the reason I'm all
tongue-tied

Oowah

What I see is haunting that it's just so fine
And I say (oowah), I say (oowah)

Everything is fine, I lay it on the line
I'll be here just to check you only this is for tonight
You know I'm gonna drink like love, you can't
remember
When it closes down, now where we go now why

Sing it baby, if you happy say (oowah)
Hey I-lady, make me wanna say (oowah)
You say (oowah), oowah for me (oowah)
Hey, imma Oo Oo Oowah ya baby
Oowah (oowah)

No words connect things and so feel this love
And you'll say (oowah), you'll say (oowah)

Pick a number you like, plus four and double it,
Minus six and divide by the peace sign
Last thing you do is subtract the first number
Yeah that equals you

Sing it baby, if you happy say (oowah)
Hey, I-lady make me wanna say (oowah)
You say (oowah), oowah for me (oowah)
Hey, Imma oowah you baby (oowah)

Wake up in the Morning and I got you on my mind
You're all I think about I think about you all the time
Waves on the beach coconuts in my glass
Sweet like a-latte, Space ship blast
Stars in my eyes Yup, I'm standing on the moon
Any time we spend apart I call it buzz kill ewww
Trip on you, take the fall on my mind I know it all
Never out my sighe girl peripheral
Oowah

Sing it baby, if you happy say (oowah)
L-lady, make me wanna say (oowah)
You say (oowah), oowah for me (oowah)
Hey, Imma oowah you baby (oowah)

Oowah, I say (oowah)
She is so~ oh-oh - oh-oh
L-lady, make me wanna say (oowah)
You say (oowah), oowah for me (oowah)
Imma oowah you baby

Oowah, oowah
Oowah, oowah
Oowah...
