It still feels like our first night together  
Feels like the first kiss and It's getting better baby  
No one can better this I'm still hold on and you're still  
the one  
The first time our eyes met it's the same feelin' I get  
Only feels much stronger and I wanna love you longer  
You still turn the fire on  
So If you're feelin' lonely.. don't  
You're the only one I'd ever want  
I only wanna make it good  
So if I love ya a little more than I should  
Please forgive me I know not what I do  
Please forgive me I can't stop lovin' you  
Don't deny me This pain I'm going through  
Please forgive me If I need ya like I do  
Please believe me Every word I say is true  
Please forgive me I can't stop loving you  
Still feels like our best times are together  
Feels like the first touch We're still gettin' closer baby  
Can't get close enough I'm still holdin' on You're still  
number one  
I remember the smell of your skin  
I remember everything I remember all your moves  
I remember you yeh, I remember the nights ya know  
I still do So If you're feelin' lonely.. don't  
You're the only one I'd ever want  
I only wanna make it good  
So if I love ya a little more than I should  
Please forgive me I know not what I do  
Please forgive me I can't stop lovin' you  
Don't deny me This pain I'm going through  
Please forgive me If I need ya like I do  
Oh believe me Every word I say is true  
Please forgive me I can't stop loving you One thing I'm  
sure of Is the way we make love  
And the one thing I depend on Is for us to stay strong  
With every word and every breath I'm praying that's  
why i'm sayin' Please forgive me I know not what I do  
Please forgive me I can't stop lovin' you  
Don't deny me This pain I'm going through  
Please forgive me If I need ya like I do

Babe believe me Every word I say is true  
Please forgive me if I can't stop loving you now believe  
me I don't know what I do  
Please forgive me I can't stop lovin' you,can't stop  
loving you
