"Seriously Dead"

Visit "[Seriously Dead](#)" on MotoLyrics.com

Seriously taking your first breath
Seriously growing up fast
Seriously FUELING ourselves with the poison
That's BURNING our fires so fast

Living like this was the first day
Living like this one'S the last
Living in reckless abandonment
You never know how long life lasts

Live in the here, live in the now, live for this moment,
It's the only way how

Seriously pushing your boundaries
Seriously moving ahead
Seriously taking your very last breath
No you're SERIOUSLY DEAD!
