If I said, 'Do you love me?'  
Would you say, 'Ye-oh'?  
If I said, 'Do you need me?'  
Would you say, 'Ye-oh'?

Baby love, can't imagine  
It's like magic, I found this love  
Baby love, can't get closer  
'Cause you're the closest, baby  
Baby love, I got a question  
Did I mention  
Is this real, or are we drinking the love?  
You got me tipsy, baby

Yeah yeah yeah  
Yeah yeah yeah

Is this for real?  
Inebriation from this alcohol got me intoxication  
You got me swervin' from this hurt  
And from my cup I'm taking sips  
And like a hundred dollar bill  
I could pay for one-on one and drink

Walking out to South with ya  
Wanna take a shot with ya  
Cuz there's the woman I never take my eyes off of ya  
Shot's got me feeling free  
And I'd really love to see  
Us holding hands and heading down the street

If I said, 'do you love me?'  
Would you say, 'Ye-oh'?  
If I said, 'do you need me?'  
Would you say, 'Ye-oh'?  
I'll keep you dry when the rain falls  
'Cause I've never been so enthralled  
Don't know how  
And I don't need nothing else~

Baby love, can't imagine  
It's like magic, I found this love

Baby love, can't get closer  
'Cause you're the closest, baby  
Baby love, I got a question  
Did I mention  
Is this real, or are we drinking the love?  
You got me tipsy, baby

Yeah yeah yeah  
Yeah yeah yeah

Is this for real?  
Imagination got me thinking about this infatuation  
Your loving whisper has me longing for that cup of  
sweet love  
Don't need no hundred dollar bill  
Cuz you're the only one I'll ever need

Can't believe what I just saw  
This and I'll be all like that  
Cause I saw your picture there's not a single flaw  
Then I hear my phone beep and waking up to see  
That all of this was just another dream

If I said, 'Do you love me?'  
Would you say, 'Ye-oh'?  
If I said, 'Do you need me?'  
Would you say, 'Ye-oh'?  
I'll keep you dry when the rain falls  
'Cause I've never been so enthralled  
Don't know how  
And I don't need nothing else~

Baby love, can't imagine  
It's like magic, I found this love  
Baby love, can't get closer  
'Cause you're the closest, baby  
Baby love, I got a question  
Did I mention  
Is this real, or are we drinking the love?  
You got me tipsy, baby

Baby love, can't imagine  
It's like magic, I found this love  
Baby love, can't get closer  
'Cause you're the closest, baby  
Baby love, I got a question  
Did I mention  
Is this real, or are we drinking the love?  
You got me tipsy, baby

Yeah yeah yeah yeah

Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah
