"When You Love Someone"

When you love someone - you'll do anything
You'll do all the crazy things that you can't explain
You'll shoot the moon - put out the sun
When you love someone

You'll deny the truth - believe a lie
There'll be times that you'll believe you can really fly
But you're lonely nights - have just begun
When you love someone

When you love someone - you'll feel it deep inside
And nothin else can ever change your mind
When you want someone - when you need someone
When you love someone...

When you love someone - you'll sacrifice
You'd give it everything you got and you won't think
twice
You'd risk it all - no matter what may come
When you love someone
You'll shoot the moon - put out the sun
When you love someone
