Crush by Akins Bonner

Baby I been waiting for you to call me on yo facebook
page kind of stalking I got a thing for you bay real
talking I love to see you walking I get butterflies
inside when you next to me I think about you sexin
me showing my niggas when you texting me,
I let you get the best of me so bad wit that pretty
girl swag I dotn trick but I wanna pop tags girl gone
head a grab the louie bag I think you where it's at

(Verse one)
Akins Bonner

Baby you make my heart stop everytime you walk my
way
And if I'm ever down thinking of you just brightens my
day
Oh I gotta crush on you, I gotta crush on you I'm kinda
stuck on you I got a crush oh you,
oh I gotta crush on you I'm kinda stuck on you I gotta
crush on you
(Chorus)

I'm like drake when he first met nicki better yet 50
when he first met vicki if I was a computer you would
be my virus I'm justin beiber you my miley cirus you
not my girl and I kind of hate it but I still switch
my status to complicated some say that this crush is
a little over rated see I'm not wit her but I'll fake
it to I make see you aint never aki'd it I'm having
visions of you naked like raven the call me akin cause
I leave them legs shaking

(Verse Two)
Akins Bonner

Baby you make my heart stop everytime you walk my
way
And if I'm ever down thinking of you just brightens my
day
Oh I gotta crush on you, I gotta crush on you I'm kinda

stuck on you I got a crush oh you,
oh I gotta crush on you I'm kinda stuck on you I gotta
crush on you

(Chorus)

Baby you beautiful I got a crush like the soda I'm
stuck on u girl like a tack thru a poster I know you
herd it all but I'm different just watch I've changed
like the hands after an hour on the clock an I aint
runnin game ma I'm speaking from the heart like my
heart got lips cupid shot me what a trip and speaking
of vacations you send my mind on em got me stuck on
ya island I aint trying to get home from yeah you got
the walk of a model coke bottle shape an a smile to
make me follow plus ya down to earth in keep it real
no manican the thought of us together got the whole
city panican I can be ya man ma I'm headed to the top
you already know never chase so I neva stop ya not
my girl yet so I picture calling you bay I think this
way about you so one day I'll hope you'll say

(Verse Three)

Young Ant

Oh I gotta crush on you, I gotta crush on you I'm kinda
stuck on you I got a crush oh you,
oh I gotta crush on you I'm kinda stuck on you I gotta
crush on you

(Chorus)
