("Jesus loves the little children
All the little children of the world
Red and yellow, black and white
They are precious in his sight
Jesus loves the little children of the world")

Everything is beautiful in it's own way
Like a starry summer night
Or a snow covered winter's day
And everybody's beautiful in their own way
And under God's heaven
The world's gonna find a way.

There is none so blind as he who will not see
We must not close our minds
We must let our thoughts be free
For every hour that passes by
You know the world gets a little bit older
It's time to realize that beauty lies
In the eyes of the beholder.

And everything is beautiful in it's own way
Like a starry summer night
Or a snow covered winter's day
Ah, sing it children
Everybody's beautiful, oh in their own way
Under God's heaven the world's gonna find a way.

We shouldn't care about the length of his hair
Or the color of the skin
Don't worry about what shows from without
But the love that lives within
And we gonna get it all together now
Everything gonna work out fine
Just take a little time to look on the good side my friend
And straighten it out in your mind

And everything is beautiful in it's own way
Like a starry summer night
Or a snow covered winter's day, ah sing it children
Everybody's beautiful, oh in their own way
Under God's heaven

The world's gonna find a way.

One more time

Everything is beautiful in it's own way

Oh, in it's own way

Like a starry summer night, or a snow covered winter's
day.
