Take the ribbon from your hair, Shake it loose and let it
fall,
Lay it soft upon my skin. Like the shadows on the wall.

Come and lay down by my side till the early morning
light
All I'm takin' is your time. Help me make it through the
night.

I don't care what's right or wrong, I won't try to
understand.
Let the devil take tomorrow Lord tonight I need a
friend.

Yesterday is dead and gone and tomorrow's out of
sight

And it's sad to be alone. Help me make it through the
night.

I don't care what's right or wrong, I won't try to
understand.
Let the devil take tomorrow Lord tonight I need a
friend.

Yesterday is dead and gone and tomorrow's out of
sight
And it's sad to be alone. Help me make it through the
night.

I don't wanna be alone. Help me make it through the
night.
