When I have you on my mind  
Iâ€™m always lying on my back  
But when we get together  
Iâ€™m unhappy in the sack  
Cause all my desires  
And wild anticipation  
Seems to wilt away  
In continual frustration  
Cause if you want to be serviced with a smile  
You gotta reciprocate  
More than every once in a while  
Cause all work and no joy  
Means iâ€™ll be looking for another boy  
All work and no joy  
Means iâ€™ll be going down on a different boy  
Reciprocate, reciprocate  
Unless youâ€™d rather go home and masturbate  
Reciprocate, reciprocate  
At the dinner table  
You were vegetarian  
But you smiled and said that you became  
A carnivore in bed  
But the evidence iâ€™ve seen  
Does nothing to support that claim  
All the effortâ€™s so one-sided  
And thatâ€™s totally lame  
Cause if you want to be serviced with a smile  
You gotta reciprocate  
More than every once in a while  
Cause all work and no joy  
Means iâ€™ll be looking for another boy  
All work and no joy  
Means iâ€™ll be chowing down on a different boy  
Reciprocate, reciprocate  
Unless youâ€™d rather go home and masturbate  
Reciprocate, reciprocate
