Puppy prints in the white sand  
A hungry dog all alone  
Our little hero looks to the night sky  
Cuz he's needing a home

Follows a star for a dream still unknown  
A family of his own

He's a beagle in Bethlehem  
And he's here to follow his star  
Doesn't even know how or when  
But he knows that it could be far  
Even when darker times have begun  
Destiny calls to the humblest one  
So little beagle in Bethlehem  
Don't give up, Your journey ain't done

Joseph works all day for his family  
Times in the city are tough  
And Mary sits with her only baby  
But maybe three ain't enough

One special night came a noise from outside  
Four paws appeared in the light

Little Beagle in Bethlehem  
I don't know why you're at my door  
It seems that you're lost and homeless now  
But our family's simple and poor  
And though our home is small, that is true  
Maybe one more will help us get through  
Oh Little Beagle in Bethlehem  
Tell me what are we gonna do

Just one night  
One night can comfort an orphan, a stray  
Just one light  
Can show a mother the way  
Home is love  
Miracles find a benevolent soul  
Just one pup  
Can make a family whole

This blessed family's now whole

Little Beagle in Bethlehem  
I'm not sure what God means to do  
I don't even know why you're here  
But our family's waiting for you  
You'll be a gift to our baby son  
You will become His best friend, little one  
So Little Beagle in Bethlehem  
Come on in, your journey is done

He's a beagle in Bethlehem  
He's a pup who followed his star  
Now he's here with his family  
And their love will never be far  
And on the nights when he feels alone  
Little Jesus holds on to the pup that's his own  
So little Beagle in Bethlehem  
Sleep in peace, you're finally home

Little Beagle in Bethlehem  
You're finally home
