A thousand lifetimes since I left you  
But still I listen for the voice I know is gone  
And Iâ€™m trapped in memories  
I remember nights that led us on

What good is love if not forever  
How can I live and know the choice I made was wrong  
Things arenâ€™t always what they seem  
Didnâ€™t know the fear would be this strong

Now Iâ€™m left to carry on  
Alone I face this madness  
Darkness falls â€™cause now youâ€™re gone  
How do I move on?

Who will hear my cry for the chance that Iâ€™ve taken  
Who will hear me say that I was blind  
Who will hear my prayâ€™r, my regret that mourns a love  
forsaken  
Who will let me change my mind?

Your memory holds my mind a captive  
It haunts my thoughts when Iâ€™m alone asleep in bed  
Dream that youâ€™re still holding me  
Dream that you still calm whatâ€™s in my head

I was scared to carry through  
Not sure where is the truth now  
Thought the only thing to do  
Was to say goodbye

Who will hear my cry for the chance that Iâ€™ve taken  
Who will hear me say that I was blind  
Who will hear my prayâ€™r, my regret that mourns a love  
forsaken  
Who will let me change my mind? Oh!

So Iâ€™ll say goodbye for now  
Though it will leave my heart in pieces  
Doesnâ€™t matter anyhow  
If I canâ€™t go back - So tell me, so tell me

Who will hear my cry for the chance that Iâ€™ve taken  
Who will hear me say that I was blind  
Who will hear my prayÂˆr, my regret that mourns a love  
forsaken  
Who will let me change my mind?

Who will hear my cry for the chance that Iâ€™ve taken  
Who will hear me say that I was blind  
Who will hear my prayÂˆr, my regret that mourns a love  
forsaken  
Who will let me change my mind?

Let me change my mind  
Iâ€™ve changed my mind
