There is a feeling that overcomes me
There's only one way to describe it
It takes over
And then I'm falling - falling again

There's no rest for the one who can fly
Only pain when he soars through the sky
I still dream of when I wasn't chained
I wake up just to fall once again

Helpless
I'm failing
Don't tell me
That I can't be freed from

Temptation
Scares me
Don't know why
Can't defy the

Fear when I'm flying
High in the sky I'm
Haunted by every moment up here

Fear is like Falling
Terror is calling
Striking my very soul
I'm falling

But the sky can't hold on to my life
Only purity flies in the light
Can't avoid what is destined for me
Cannot soar, anymore, set me free

Come save me
I'm slipping
Don't tell me
That I'm captive to this

Temptation
Provokes me
With each sigh

Can't deny the

Fear when I'm flying
High in the sky I'm
Haunted by every moment up here

Fear is like Falling
Terror is calling
Striking my very soul
I'm falling

Fear when I'm flying
High in the sky I'm
Haunted by every moment up here

Fear is like Falling
Terror is calling
Striking my very soul
I'm falling

In the clouds I drown
Begging to know how
Wings have been torn with my truth

I'm not what you see
Heaven's lost to me
Tumbling out of the blue

There used to be a day when I would fly free
But now - I will always fear this fall
This fall from Grace

Fear when I'm flying
High in the sky I'm
Haunted by every moment up here

Fear is like Falling
Terror is calling
Striking my very soul
I'm falling

Fear when I'm flying
High in the sky I'm
Haunted by every moment up here

Fear is like Falling
Terror is calling
Striking my very soul
I'm falling

I'm falling

IÂ'm falling
