Everybody's got a question
Everybody's got a dream they're hiding
Everybody's always waitin'
Waitin' to rise

Everybody's got a passion
Everybody's got a secret prayer
Hopin' that they're somethin' special
And waiting to fly

Can you see
Now's your time to soar
If you breathe
There's no fear anymore
Just believe
You can touch the sky
There's no lookin' back, The time's come to act -
just fly

Everybody's given choices
Everybody's got a chance for freedom
Trust the wings you have to guide you
You just have to try

Can you see
Now's your time to soar
If you breathe
There's no fear anymore
Just believe
You can touch the sky
There's no lookin' back, The time's come to act - so

Live each day with a leap of faith
Passion can find even people who hide
Live your life before it's too late
Follow the stars in your eyes

Can you hear the angels singing
Can you hear the song that speaks your name now
Can you sense the joy it's bringing
Straight to your heart

Can you feel the winds are shifting
Can you see the sun is rising once more
Can you feel your body lifting
Into the light

Can you see
Now it's your time to soar
If you breathe
There's no fear anymore
Just believe
You can touch the sky
There's no lookin' back, The time's come to act

Can you see
Now it's your time to soar
If you breathe
There's no fear anymore
Just believe
You can touch the sky
There's no lookin' back, The time's come to act
Just fly

There's no lookin' back, The time's come to act
Just fly
